

DEAF AWARENESS MONTH

— SEPTEMBER 2026 —

Join the Nebraska Commission for the Deaf and Hard of Hearing (NCDHH) throughout September for free virtual and in-person events celebrating Deaf Awareness Month.

Featured Topics Include:

Communication Access

Learn how communication access creates more equitable experiences in schools, health care settings, communities and more.

Behavioral Health

Learn about behavioral health resources, communication access strategies, and information designed for both providers and community members.

Student & Parent Support

Gain the knowledge, confidence, and support needed to navigate school, advocate effectively, and access resources designed for students and families.

Deaf Culture & Community

Celebrate and learn about Deaf culture, language, identity, and community, including the International Day of Sign Languages on September 23.
