E. Chairperson's Report

- a. Ms. Woodhead asked Dr. Seiler to provide an update on the Kansas QAST. Dr. Seiler discussed that Kansas will no longer offer the QAST testing tool after 2015. Nebraska will need to decide what direction to take as to what testing tool will be used, if any, in Nebraska. Dr. Seiler brought up the idea of a group of members traveling to Texas to learn about their BEI testing tool and then contacting Michigan to see how they view the Texas testing tool.

Ms. Woodhead asked if this is a topic for Interpreter Review Board or Full Commission Board. Mr. Montgomery stated that the Full Commission Board is who has the authority to make decisions and Interpreter Review Board can provide recommendations or feedback. Dr. Seiler feels that the Full Commission Board will ask what the Interpreter Review Board recommends. Ms. Brakenhoff recommended that someone from the Interpreter Issues Committee research and decide how certification levels compare in Texas and Kansas and then the Interpreter Review Board look over those results. Discussion ensued regarding the ending of QAST in Kansas.

Ms. Richardson-Nelson recommended that the Full Commission Board create a task force consisting of different members of the community who would be affected by the QAST tool and research what they thought would be the best action to take. Ms. Woodhead mentioned to have the meeting in Nebraska and invite Texas BEI administrators and RID administrators in order to save money and allow everyone in one place. It was further suggested that the BEI staff and the RID staff present the information in an open meeting to allow interpreters and members of the community to attend.

Motion – recommend NCDHH Full Board to establish a task force to determine how we will license interpreters in the future and examine some state assessment tools. The task force should include at least 2 representatives from each of the following: Interpreter Review Board, Interpreter Issues Committee, Nebraska RID, Nebraska Association of the Deaf, Deaf/Blind Community, Oral/Deaf Community. The task force will be able to add members at their discretion.

[Ms. Tami Richardson-Nelson/Ms. Kelly Brakenhoff/Motion passed/Ms. Vicki Steinhauer-Campbell-absent]

Motion to recommend to NCDHH Full Board that the current proposal from Nebraska Department of Education be rejected.

[Ms. Kelly Brakenhoff/Ms. Tami Richardson-Nelson/Motion passed/Mr. David Montgomery-abstain]

- b. Progress on Investigation Process
 - i. Dr. Seiler stated that during the previous investigations regarding complaints against an interpreter, both investigations are finished

as no parties wanted to make it a formal complaint. Mr. Sparks thanked Mr. David Montgomery for his assistance and direction on how to handle complaints.

Ms. Woodhead asked if Dr. Seiler and Mr. Sparks had registered for investigator training. Dr. Seiler responded no.
