Behavioral health care should be accessible to everyone. NCDHH provides support, training, and resources to help providers, families, and community members improve communication access and connect Deaf, DeafBlind, DeafDisabled, and Hard of Hearing Nebraskans with equitable behavioral health services.

Meet Your Point of Contact

Sakura Yodogawa-Campbell

Behavioral Health Liaison

 (402) 613-3869 | VP: (402) 682-7129

 sakura.yodogawa@nebraska.gov

Sakura serves as NCDHH's statewide Behavioral Health Liaison, helping improve communication access and accessibility within Nebraska's behavioral health system.

Sakura Can Assist With:

Finding behavioral health resources in Nebraska and, when appropriate, out of state.

Navigating the behavioral health system by identifying services, explaining available options, and helping you understand your accessibility choices.

Advocating for effective communication access and answering questions about your rights under the Americans with Disabilities Act (ADA).

Connecting you with trusted providers, programs, and community resources that support Deaf, DeafBlind and Hard of Hearing individuals.

Providing training, consultation, and resources for individuals, families, behavioral health providers, and community organizations.
