Technical Advisor Position Open on Mental Health Advisory Committee

PLEASE SHARE THIS INFORMATION WITH MEMBERS OF YOUR ORGANIZATION OR OTHER INTERESTED PARTIES.

The Mental Health Advisory Committee has one opening for a technical advisor.

The committee consists of five members, three counselors familiar with mental health, alcoholism, and drug abuse disorders in deaf and hard of hearing people and two human services professionals. Health and Human Services and the commission shall each have a representative who serves on the committee in a nonvoting technical capacity. Members are appointed by the Commission.

The IRB meets quarterly, alternating between Lincoln and Omaha work sites. More information, including an application, can be found about the Mental Health Advisory Committee page on the NCDHH website: <https://ncdhh.nebraska.gov/meet-the-team/mental-health-advisory-committee>

Further questions can be directed to Carly Weyers, NCDHH Behavioral Health Coordinator at carly.weyers@nebraska.gov

A link to a VLOG presented by Carly Weyers can be found here: <https://youtu.be/9FA1yQ76le4>
